**Re: In the Matter of Petition of USTelecom for Forbearance Pursuant to
47 U.S.C. Section 160(c); WC Docket No. 18-141; Category 1**

Dear FCC,

I support a smaller, competitive service provider by being a subscriber for my home. Sonic.net was first to bring fiber to my neighborhood, and such innovations should be encouraged and enabled by meaningful regulation.

The FCC should not allow price hikes that would be brought in by the big carriers. Big carriers are slow to innovate and slow respond to customer needs.
